

Masters Programme in International Economics and Business A.A 2022/2023  
University of Verona, Italy

Verona - April 21, 2022

To: **Mr/Ms Tauheed Khan**

E-mail: mah34555@outlook.com

Dear Mr/Ms Tauheed Khan,

we are pleased to inform you that your application for pre-admission to the Master's Programme in *International Economics and Business A.A 2022/2023* for the academic year 2022/2023 has been provisionally accepted by the Teaching Committee, after the evaluation of your previous career and statement of purpose.

In order to begin your formal pre-enrolment at the University of Verona, we strongly advise you to start your pre-registration in University web portal at the following link <https://www.universitaly.it/index.php/> within the deadlines scheduled by the Italian Consulate/Embassy. In case the procedure for a.y. 2022/2023 is not open yet, just keep it checked regularly.

A calendar with all relevant deadlines will be updated at <http://www.studiare-in-italia.it/studentistranieri/>

Please note that this pre-acceptance letter does not substitute the above mentioned pre-registration procedure managed by the Italian Embassy/Consulate in University web portal and is still **subject to any further requirements from the Italian Embassy/Consulate**. You will also need to refer to the Consulate/Embassy to apply for a Study Visa.

Our University reserves the right to verify the authenticity of your documentation:

- Authentication of foreign academic qualification, along with official Italian or English translation and declaration of value.
- Authentication of certificate with the details of all courses and exams taken for the foreign qualification, officially translated into Italian or English.

If you haven't obtained your Bachelor degree at the time you submitted your application, you should send to us a copy of the final transcript of records and copy of your diploma as soon as available.

**Please note that this pre-admission letter does not guarantee any financial aid;** if you will be awarded one of the 50 financial aid packages (25 of them dedicated to Non-EU students), you will receive the letter of award (for further details please refer to the call for application).

In any case, remember that before coming to Italy you must ensure you have sufficient personal funds to support yourself during your studies (minimum suggested to live in Verona: €700 per month) in order to pay for tuition, accommodation, meals, books and personal expenses.

If interested in other benefit options (university scholarships and grants, student fees reduction, benefits for deserving students, 1000 Euro yearly tuition fee for non-Eu students), please visit the page [University scholarships and grants](#).

Please visit the Master's webpage in the University of Verona website in order to find all necessary information (including the first term starting date, generally between 20th September – 1st October); the page will be updated regularly.

We suggest to check the [website](#) of the Italian Ministry of Foreign Affairs regularly for updates and information on the measures currently in force and any possible restrictions for foreign travellers as a result of the Covid-19 pandemic.

After the Italian Embassy/Consulate has provided you with a study Visa, for further assistance, feel free to contact us at [admissions@ateneo.univr.it](mailto:admissions@ateneo.univr.it)

Your Sincerely,

**International Student Desk**
