Scholarships in Ukraine for Pakistani students

- **Gillman Scholarship**
- **Boren Scholarship**
- **The School of Russian and Asian Studies (SRAS)**
- **IREX Scholarship:**
- **Language Institute in L'viv and University of Kansas Scholarship**

1. Gillman Scholarship

This scholarship program is for international students who qualify for Pell grants. It is also open to students enrolled in a two-year degree, who are physically challenged, or who are members of a minority group. A student must first study in one country for at least one month before moving to another. Ukraine is one of the countries on the list. The Gilman scholarship is worth \$4,000 (and can be worth up to \$5,000). If a student decides to study a language on the Critical Needs List, they will be eligible for an additional \$8,000 a reward. Because the Russian language is on that list, studying it in Ukraine can get you a scholarship and boost your chances of staying longer, as 24% of the Ukrainian population speaks and understands Russian.

2. Boren Scholarship

Boren scholarships are given to International students who desire to study in a country that is crucial for national security but is not a popular study destination for international students. Ukraine is one of those countries, and programs in Russian and Ukrainian are also on the recommended list. Because these scholarships are so big, they are quite competitive. Scholarships of up to \$20,000 are available, as are fellowships of up to \$30,000. In exchange for financial assistance, individuals must serve the Ukrainian government after completing their degree programs. The National Security Education Program (NSEP) is sponsoring the scholarship, thus the students will be working in national security, homeland security, the Department of State, and the Defense Department.

3. The School of Russian and Asian Studies (SRAS)

The School of Russian and Asian Studies (SRAS) provides scholarships, grants, research awards, and internship opportunities to international students studying specific programs in specific countries/universities in Asia or Europe. One of their scholarships is available in the field of Russian language and foreign policy in the city of Kyiv. The scholarship is valued at \$5,000 and is intended to help students pay the tuition fee.

4. IREX Scholarship:

IREX is a non-profit organization that receives government financing to assist research programs in Ukrainian educational institutions. The financing can range from two to nine months, during which time the students will be able to undertake study on foreign policy issues.

5. Language Institute in L'viv and University of Kansas Scholarship:

The Language Institute in L'viv, Ukraine is a foreign branch of the University of Kansas. If you are a current recipient of any scholarship at the University of Kansas, you can use it to study a language or area course at Language Institute in L'viv. The recipients of the scholarship will stay in Ukraine with a local family and will engage in language, area, or policy studies in Ukraine.

Cost of living in Ukraine for Pakistani students

Ukraine is a budget friendly country for international students, including Pakistan. The cost of living in Ukraine for Pakistani students is affordable and economical. On average, monthly expenses for accommodation, food, and other necessities can range from \$300 to \$600. However, costs can vary based on the city, lifestyle, and individual preferences.

Part-time working hours and income

In Ukraine, part-time working hours for international students, including Pakistani students typically allowed to work up to 20 hours per week during the academic year and full-time during university breaks and vacations. Part-time work in Ukraine is not only a source of financial assistance but also a great opportunity for students to polish and enhance their skills through practically performing the field work in terms of gaining experience and knowledge at the same time.

Students usually do part-time work in the fields of positions including retail, hospitality, tutoring, or administrative roles. The income they earn from their part-time jobs vary with an approximate amount in between 15,000 to 30,000 Ukrainian Hryvnia per month (that is \$550 to \$1100 in USD), varying upon a number of factors including the nature of your job, the location, and your expertise.

There are some legal requirements and restrictions that must be kept in mind and expected to be fulfilled by international students during their part-time work. Part-time working is considered to be beneficial for international students for the sake of their learning and adaptability with the Ukrainian culture and society.

Work permits and future opportunities are available for Pakistani students after their studies

International students, including Pakistani students, were permitted to apply for a work permit in Ukraine after completing their studies. This work visa enabled them to lawfully work in the country. Depending on the student's skills, the employment offer, and other considerations, the process and conditions for acquiring a work visa may have differed.

Completing one's education in Ukraine can lead to a variety of options for international students, including Pakistani students. Some may opt to work in Ukraine, while others may pursue higher education or explore chances in other nations.

Depending on the industry and employment requirements, proficiency in the Ukrainian or Russian language may be advantageous to individuals interested in pursuing a career in Ukraine.
