It is my pleasure to recommend Mudassar Khalil, to whom I taught in BS Computer Science class for the whole session (2015-2019) at Superior College Bahawalpur. Superior College Bahawalpur is an English Medium institute. Mudassar Khalil demonstrated a tremendous effort and growth throughout the session and brought a great energy to clam. He has that combination of a positive attitude and belief that he can always improve that's rare at College level, but so essential to learning process. I am confident that he will continue to display the same commitment and diligence in everything she does.

Mudassar Khalil is a trust worthy, reliable, good, humored student and friend who supports others in and out of the class room. He was a pleasure to have in class, and his positive attitude and belief in herself, even in the face of difficulty, he is immensely an admirable asset.

I highly recommend Mudassar Khalil for admission to your University.

Sincerely,

Prof. Muhammad Kamran Yousuf
